RE: 2018 Road Construction – Fox River Road and Widgeon Road

Dear Resident:

I am writing this letter to inform you of upcoming construction activities that will be taking place in your neighborhood. As part of the long-range Capital Improvement Program, the Town of Buchanan has scheduled a road improvement project to be completed near your property in 2018.

The project plan may include: pulverization of existing pavement, reconstruction/repair of road base, construction of curb/gutter at intersection radii, full right-of-way ditching and/or ditch cleaning, culvert installation/replacements, where necessary, and the re-pavement of the asphalt surface. Some existing driveway aprons may be saw-cut and re-paved to match road grades.

To better inform you of this project, and to solicit feedback, *the Town will be hosting a preliminary informational meeting/open house for the project.* You're invited and encouraged to attend!

Town of Buchanan 2018 Road Construction: Preliminary Public Information Meeting

Date: Thursday, January 18, 2018

Location: Buchanan Town Hall (N178 County Road N)

Time: 7:00 p.m. to 7:45 p.m.

At this meeting, Town officials and representatives from Cedar Corporation (Town Engineer) will provide a brief presentation (beginning at 7:00 p.m.), followed by an individual question and answer period. Preliminary construction plans (30% design) will be made available for viewing.

Residents are encouraged to visit the Town's website (www.townofbuchanan.org) for further updates. If you have questions, please contact the Town Administrator, Tony Brown at (920) 734-8599 or Town Engineer, Thad Majkowski, Cedar Corporation at (920) 785-7302.

We have made every attempt to contact all property owners affected by this project, however, please share this information with your neighbors and other interested parties.

Sincerely,

Tony Brown, Town Administrator

cc: Town Board
Thad Majkowski, Cedar Corporation
